<h1>KIM-MARY FERNANDEZ</h1>

<h5>July 21,2001

20 YEARS OLD

SINGLE

CATHOLIC</h5>

<p>

I'm really afraid of too much attention but its only way to gain more confidence in my self and one of its disadvantage gaining more attention cause everybody can judge not in positive way but also in negative way but it's for you to handle it's either you will fight with confidence or you will accept what are they saying to you but for me I'm the only knows what I'm really capable so instead of getting beaten by the negative comments it gain me more confidence to become version of my self that no ever seen

before.</p>

```
<p class="description">One of the best  
things I love about my father is that he has always kept a very safe and  
open home environment. For instance, my siblings and I can talk about  
anything with him without the fear of being scolded or judged. This has  
helped us not to lie, which I have often noticed with my friends</p>
